10JOER

10 Joer MOMA... Eng spannend Rees déi virun enger Partie Joren ugefaangen huet mat der Loscht eppes Neies ze maachen. An sou koum et, datt aus menger Passioun fir d'Holz a fir d'Gestalten, d'Iddi gewuess ass fir eng Schräinerei ze grënnen. Et war en zimmlech radikale „Neistart" vum berufflleche Liewen deen e komplett Ëmdenken erfuerdert huet, deen och privat vill ofverlangt huet. E „Neistart" wou ech dann och Wëssen an Erfarungen aus dem viregte Beruffsliewen konnt mat abréngen.

10 Joer MOMA... heescht bei 0 ugefaangen, alles huet missten erfonnt, geplangt geduecht ginn, vun der Equipe an den Atelier bis bei d'Produkt.

10 Joer MOMA... wou mer eis eng eege Plaz an der Lëtzebuerger Handwierkswelt geschaafen hunn.

10 Joer MOMA... Merci all deene Leit déi gehollef hunn dës wonnerbar Firma opzebauen, Merci all deene Leit déi un eis gegleeft an ëmmer rëm ënnerstëtzt hunn, Merci all deene Leit déi vun Ufank dobäi waren, dobäi koumen an all Dag hiren Deel dozou bäidroen datt MOMA weider lieft a sech weider entwéckelt.

10 Joer MOMA... mir si virwëtzeg wat mer an den nächsten 10 Joer nees alles ëmsetze wäerten...

Mir freeën eis drop!
